FAQ: What is the "NEW" show?

- The 'Warriors Through Ancient Civilizations' tour now reflects changes made to the Grade 4 curriculum which may also be of value to grades other than just 4.

Basic Educational Event Outline:

Morning Portion of the Day:

- From Alexander the Great, we travel through the Greek, Roman eras & end with the Medieval Age.
- Era-appropriate armour, weaponry plus the excitement of gladiator games, a chariot run, sword fights, and Medieval tournament-style mounted games, light & heavy armour jousting will be experienced.
- Please note we are a full-contact troupe, not a dinner theater show. This is the "Real" thing!
- Our Birds of Prey portion begins with falconry from the days of Genghis Khan traveling through to the Middle Ages showing various raptors in flight.

Afternoon Portion of the Day:

- KOV will divide the audience (keeping schools together) into smaller groups to attend our "Educational Pods" which are designed for more depth of knowledge in specific areas & a closer look at the various characters & equipment used throughout the show. Kids can touch & ask questions at this point.

The Educational Pods-

- 1. Siege Weapons:** Our very own Trebuchet will be discussed & demonstrated with some students having an opportunity to try out our 'mini' versions.
- 2. Arms & Armour:** In addition to our Medieval arsenal of weaponry & armour, we will add aspects of Egyptian, Macedonian & Roman styles – from the Bronze age to the Iron age.
- 3. Evolution of the War Horse:** Horses will be on display & the progression of use of war horses will be discussed from the history of Ulysses, through the Romans to the Medieval Age of the mounted Knight. The most important bond between warriors & their trusted steeds will be expanded upon.
- 4. Birds of Prey:** A closer look & deeper history / demonstration of how important these raptors were both in sport & war throughout more ancient times up to the Medieval Era.
- 5. Warriors of the Past:** Discussion of the ancient civilization warriors – their status in the feudal systems – their training – their day-to-day lives & other relevant information giving students an idea of the hardships and honours for these real-life men & women who were not video characters.

FAQ: Do you make visits to individual schools or classrooms?

- Due to cost of transport & trying to fit visits into our Tour schedule, we no longer visit schools but encourage them to participate in one of our educational events as they contain much more educational & excitement value for your dollar.

FAQ: How do the schools register to attend our events?

Registration Protocol:

- Please refer to our [2014 Registration Form](#) for detailed information.
- Online registration is preferred & the newly designed forms make it easy & fast.
- Responding to educator's requests, we have lowered the maximum # of attendees to avoid crowding , while also making the Pod groups smaller.
- It is wise to give 2nd date options in case the 1st choice is sold-out.

FAQ: How much does it cost to attend a KOV educational event?

Fees: The cost for 2014 is (\$15.93 + 2.07HST) = **\$18.00 per person.**

- All cheques are to be made out to "**The Knights of Valour**" & are due on the day of the event (except by prior special arrangement). There will be a reduction for those who cannot attend due to illness or injury only). It may be a good idea to have a couple of people on stand-by just in case. We will allow additional attendees only if there is still room available.

FAQ: What is your cancellation policy?

Cancellation Policy:

- As each venue is different, we cannot guarantee full coverage but during bad weather we will try to make sure students & teachers are protected as best we can.

Arrival Protocol:

- Shows begin precisely at 10:00a.m. & end at 2:00p.m.allowing use of regular school buses for many schools.

-Your group will be escorted to an area where basic ground rules for that particular venue will be given after which you will be escorted to the main arena area & seated.

FAQ: How is seating arranged__ are seats reserved__ can we choose where we want to sit?

Seating Arrangements:

- With rented facilities, each has different seating options available. Most are bleachers, so reservations are not possible.

- We seat the first arrivals at one end of the arena working our way to the other end keeping each class/group together. As our show uses the entire arena, everyone gets a good view. We ask for your patience as these are not our facilities so we do the best with what is available.

Merchandise:

- We will have assorted event-appropriate items for sale ranging from \$1.00 up to \$70.00
